About

I am a registered Childminder. I have a 2 year old boy who is my world. I live with my partner and my mother-in-law, a very small a chatty dog and a cat that keeps herself to herself.

I've always been passionate about childcare and it has been my career in a variety of ways for the past 8 years. I have been a nanny for lots of lovely families, who I'm still very close too. I was a Nursery Assistant for a while before being a Childminders Assistant for 4 years where I learnt a lot whilst enjoying every minute of it.

I'm a very patient, reliable and fun person which allows me to form great relationships with children. Activities I enjoy doing most with children include cooking, arts and crafts, messy play and being outdoors. I have attended most of the baby and toddler groups in the area and am excited to revisit them again when it is safe to do so. In the meantime, I am a short walk away from the shore, many local parks with lots of green space and enjoy going on bear hunts as we go on little bush walks nearby.

What I offer

I offer a safe, enriching home from home environment, allowing children to play and have fun whilst learning key skills and developing. Children will have access to a very large garden and a summerhouse filled with toys and activities that cater to every age range and stages of development. The local area offers lots to enjoy and explore as well. One morning we could search for shells by the shore or play football on one of the many green spaces. Then in the afternoon we could take a short walk to Portchester Castle where we could be Kings and Queens, enjoying a picnic within the grounds.

Inclusive Provisions

I accept vouchers, Tax Free Childcare, Grant funding 2,3 & 4 year olds

Links with nurseries/providers

Live very close to Portchester Day Nursery/Little stars pre-school which my son will be attending so with prior arrangement I can offer drop off and pick-ups.
